

New Year TriALEathon, Derby

As we are now out of race season, I thought it would be good to try a different sort of training.

The plan for this first TriALEathon is to explore some of Derby's excellent real ale pubs.

We will be taking a leisurely stroll around Derby, through two of Derby's famous parks, then finish at the Exeter Arms.

**We will be leaving the Silk Mill, Derby at 12.30pm
on**

4 January 2020

From the Silk Mill we will head to:

- The Furnace
- Little Chester Ale House
 - Five Lamps
 - The Bell Inn
- The Smithfield (Derby CAMRA Pub of the Year 2018)
- The Exeter Arms (for food. We may have to pre order, depending on numbers)

Please confirm if you will be joining us by booking on the DTC events page, as numbers are limited.
